Cafeteria / Operation-ARIS
SO3 / Associate - Cafeteria

Through: Mr. Sunil Kumar Gundlapalli

Dear Ellamaniam Prasadreddy,

While we are all adapting to the new normal and restoring some of the processes that we had kept in abeyance due to the uncertainties caused by the COVID-19 Pandemic, it is time now to take a look at the performance appraisals and revision cycle of '2019-20'. We had all completed the processes of performance evaluation in early 2020. The leadership team has now reviewed the business results of each business carefully after factoring in the revenue loss and other financial implications caused by the situation. It has now been decided to rollout the performance appraisal decisions involving pay revisions in a measured manner for the year 2019-20.

An important and significant change that the Group has adopted for revisions from 2019-20 onwards, is that each Business/Group Function will decide on the pay revision percentages based on their individual business performance and context. Going forward, we will be requiring to bring in far more changes to the various organisation systems and processes to become more resilient and agile. It is also important that you take ownership in reskilling and upskilling yourselves to meet the demands of the changing work and workplace of the future.

Consequent to the reviews of 2019-20, it was decided to review the performance of employees who joined/entered probation during the beginning of financial year 2020-21, so that those employees whose compensation are not in line with revised compensation levels and structure, could also be revised.

Accordingly, the organisation is pleased to revise your compensation effective **01-10-2020** as per attachment. Consequent to this revision, any further liability in respect of income tax shall be to your account. Matters relating to remuneration are strictly personal and confidential between you and the Organisation and should be treated as such. All other terms and conditions of your employment remain unchanged.

We strongly believe that through "The Amara Raja Way®" and our culture of facilitating Engaged employees, Empowered teams and Collaborative leadership, we will succeed in all our endeavours. Gotta be a better way!

We look forward to the continued support and unflinching commitment of our people to pursue and surpass the aggressive goals we have set for ourselves for the current financial year 2020-21. We also take this opportunity to thank your family for having supported you through your endeavour.

We wish you the very best.

Stay Healthy, Stay Resilient, Be Agile.

Yours faithfully,
